Dear Parent/Carer,

School Census - The government requests information from school on a large range of subjects 3 times per year. This information is used for many purposes including allocating funding. Autumn Census Day is on Thursday 3<sup>rd</sup> October this year. Please note that the funding for the Universal Infant Free School Meals is based on the number of meals served on census days. Dear Parent/Carer,

School Census - The government requests information from school on a large range of subjects 3 times per year. This information is used for many purposes including allocating funding. Autumn Census Day is on Thursday 3<sup>rd</sup> October this year. Please note that the funding for the Universal Infant Free School Meals is based on the number of meals served on census days. 27<sup>th</sup> September 2024

Dear Parent/Carer,

School Census - The government requests information from school on a large range of subjects 3 times per year. This information is used for many purposes including allocating funding. Autumn Census Day is on Thursday 3<sup>rd</sup> October this year. Please note that the funding for the Universal Infant Free School Meals is based on the number of meals served on census days. We will be booking all children in Class 1 and Class 2 a lunch on census days. If you do not want us to book a lunch please let the office know in writing. Your child may bring their pack lunch and eat it as well should they wish.

You should have received the proofs of your child's photographs this week. Only one copy is printed and that has been sent home. If you are separated and have not received the proof please speak to your ex-partner to have sight of the proof and copy the reference number to order should you wish to.

The National Child Measurement Programme arranges an annual visit to check height and weight of children in Reception and Year 6.

Letters were sent home yesterday. The letter to parents/carers requests them to inform us by Sunday 29<sup>th</sup> December 2024 if they wish to withdraw their child from the measurement programme.
