4th October 2024

Dear Parent/Carer,

Class 4 continue to help out at lighter lunches at the chapel on Tuesdays (on a rota basis). The folk from the village who go really appreciate seeing and chatting to the children.

We are grateful to the volunteers who come in to read with the children. We have various people (all checked for safeguarding purposes) who come regularly. This really helps the children progress with their reading as it is a fact that the more we read the better we get.

Unfortunately the Cross Country Races this week were cancelled. The organisers are trying to arrange a replacement date for this. However the next scheduled race is on 17th October. If you have not already replied that your child wants to enter but they would like to please let us know next week. We will then send you further details. Thanks

Weather. Please ensure your child brings their coat every day. In the unlikely event that school needs to close because of the weather we will inform you through a message on Classdojo and a banner on our website. If school is open on a day with heavy snow and you do not believe it is safe for you to travel please send an email to the school informing us so we can code the register appropriately.

Harvest Service in Church on 18th October 2024. We are looking forward to our service and warmly invite friends and family. There will a collection for the up keep of the church. If you would like to send any non-perishable goods to give to a foodbank as part of the harvest please send them to school any time before the service and we will make a collection of them.
